Registration for the 2024-2025 school year is now open. Our current ELC families were given the opportunity to register during the month of January. We are now accepting registration from new families. Do you have a family member or friend that would love to be a part of our ELC family? Have them call the office to schedule a tour: (302)239-3033! Children from 18 months through PreK are welcome to register.

Wild West

The preschool classes will be taking an imaginary trip to the Wild West in February/March! We will bounce across the country on February 27th and 28th. While in the Wild West, the children will learn all about the food, culture, history, landmarks, arts, animals, geography, and more. Please see Jen or Melinda in the office if you would like to help with our adventure.

Happy Valentine's Day ELC Party Information

Many of our preschool classes will enjoy special treats and activities to celebrate Valentine's Day in their classrooms. Watch for the party sign up sheets with specific details on your classroom. The children may bring valentine cards for everyone in their class. The teachers will help the children "deliver" a valentine to each friend's bag.

Valentine's Day parties. Children may bring cards for their entire class. Please give them to the teachers for distribution. To foster independence, the cards should not be addressed to specific children in the class. This will enable the children to deliver their own cards. Thank you!

Our Toddler classes do not have big Valen-
