Summer Office Hours

The ELC summer office hours will be Monday and Tuesday each week from 9am–3pm. Please call to see if we are in the office before you stop by.

Dear Parents,

It is hard to believe that the final month of school is here. We have had such a great year together and have made so many memories. We would like to take this opportunity to thank you for choosing the ELC to provide early childhood education for your children and for entrusting them to our care. It has been our pleasure and our privilege to watch your children grow and learn! We are very proud of them!

If your child is moving on to kindergarten or you will not be returning to ELC next year, we wish you many blessings in the future. For those registered for the fall, we look forward to seeing you in September! Our best wishes to all of you for a safe and happy summer!

Sincerely,

Jennifer Urrunaga, Education Director
Melinda Aghajanian Business Director

Apply sunscreen
each morning!❤️

Please remember to put sunscreen on your child before bringing them to school. We hope to have warm spring weather and be able to go outside to run, climb, slide, and enjoy the sunshine!

Registration for 2024-2025

Registration for the 2024-2025 school year is on-going. Do you have a family member or friend that would love to be a part of our ELC family? Classes are filling up fast!! Have them call the office to schedule a tour!

Hockessin, DE 19707**

**AGES: 3 years - 11/12 years
(Pre-K through 5th Grade)**

Email Dawn Deckman @ HUMCYouthMinistry@hockessinumc.org.

ELC Walks to the Fire Station

Our PreK and 4's classes will visit the Hockessin Fire Station on May 1st and 2nd. The children will learn about fire safety from a Hockessin firefighter. The firefighter dresses in the same protective clothing that would be worn in a burning house, so the children can become familiar with a firefighter's uniform and equipment. They can practice what to do if your smoke detector goes off at home; how would you get out of the house, and where you would meet once outside of your home?

The children always have fun at the fire station exploring the fire engines and learning about fire safety.
